3. **Plan for the Year**

Meetings: 2x/ month Informational & presentation?

Not enough of a consensus to make any changes. An idea was to do a survey to the email list we have now to get an idea of what days/times would work best and work with the days/times provided by the majority of the members.

Cultural Presentations - On hold for new members

Culture Night (Map?) – Will be held October 20, 2015. B&C will do another map of the world for the Culture Fair. Sara will put the board together and a poster for B&C. Equity and Engagement has agreed to provide the supplies. Kim will email Kim Pippenger for confirmation, cc'ing Sara and let Kim know that Sara will be contact for the supplies and poster. We will advertise submissions for B&C books (cookbook & multicultural/lingual story book) and provide templates for people to use.

Welcome for new school (Mosley) – Mr. Shoenhals said there has been talk of a tailgate for Quest and Mosley before one of the Girls Soccer games in late October, early November. More clarification and info regarding date/time are TBD. B&C will participate. Exact involvement is also TBD.

Ideas for outreach – Discussed inviting parents who we know that might be interested in attending.

4. **New Co-Lead Volunteer** – On hold for new or returning members at upcoming meetings
5. **Next Meetings** – First B&C social of the year to be held:

Friday, October 2, 2015 after drop-off in the Enrichment Room

****Advertise that this social is a space where parents can come and discuss questions, thoughts, ideas or concerns in a safe environment. We can either host the meetings with or without Mr. Shoenhals, whichever would seem more beneficial for the parents.**

Leslie will talk to Judy about scheduling the Enrichment Room and the PProGraM Room for our next informational meeting:
