

## Accountability Notes

9-8-15

Traffic/Construction: New road will be under construction this year. We look forward to welcoming our friends at Mosley in the coming weeks.

Middle School Advisement: Middle school teachers have revamped advisement to create more meaningful connections to the guiding principles and shared leadership across the MY Pod.

Report Cards: The district is updating the report card to better communicate with families about their child's progress. We reviewed a presentation from APS and some FAQs that will help parents understand the report cards. Kindergarten report cards will now be sent home on a trimester-basis, and will look differently than 1<sup>st</sup>-8<sup>th</sup>.

Conferences: Conferences are upcoming. We were asked to consider holding conferences on different nights of the week to accommodate families.

Savannah Update: We intend to continue to support her family. We want to make sure we are honoring her family's wishes and contributing in meaningful ways.
