Field Day

Plan to visit or volunteer at our annual Field Day extravaganza on Thursday May 17th. We will need volunteers to help with stations and participating as cheering spectators! A Sign-up Genius will be sent out soon, asking for volunteers and donations.

Parents, we need YOU!

If you are interested in joining us on May 17th at the new family orientation night, we would love to have 6 – 8 parents help give building tours and/or socialize with new families to make the feel welcome. The orientation begins at 6:00 pm in the gym; volunteer tour guides would need to be at Quest at 5:45pm. Please contact Jesus Germes if you are interested. jmgermes@aps.k12.co.us

PLANT SALE

Dear Quest Parents,

We are having a Plant Sale. And the Plant Sale is hosted by the Johnson/ Kruschwitz class in 3rd grade. It is going to happen 3 days in a row, May 9th 10th, 11th directly after school from 2:30 to 3:00. This is going to be in front of the school. All students at Quest will pot and water a plant next week. You may purchase your child's plant!

Get them for Mother's Day! We are selling plants in order to get some more, better, and nicer garden supplies for the Community Garden! We are also learning about economy through the plant sale.

Preorder forms come out May 4th. We need you to help our school so your kid can explore the world of plants and nature. We hope to see you there!

Sincerely,

Fadwa, Audrey, and McKenna
