MEET OUR NEW PRINCIPAL

Please join us and meet Quest's new principal, Dr. Kelsey Haddock during the next Accountability Committee meeting on Tuesday, May 8th at 5:00 PM. Unfortunately, childcare is not provided during this meeting. This will be an opportunity to meet with her as well as discuss items that might be of interest to you for the coming school year.

CLASS PICTURE REPRINT

If you ordered Class Pictures they have been reprinted! LifeTouch agreed that the background was very dark and could be improved. Look for the reprinted pictures as they will be sent home Friday with your student.

COMMUNITY GARDEN

Join us for our Community Garden workday, Saturday morning from 9 - noon. Breakfast will be provided in Ms. Haley's room at 9:00. The committee will finalize summer planting plans. Hope to see you there!

HELIUM BALLOONS ARE PROHIBITED

Due to a history of fire suppression systems being activated by Mylar balloons and rogue helium balloons setting off our alarm system motion sensors, helium filled balloons are prohibited at Aurora Quest.

Aurora Scholars

Annually, the City of Aurora recognizes the tremendous talent and scholarship of Aurora's 1st - 12th grade students. Students are chosen for their qualities of scholarship, leadership, character, or for having made a special contribution to the school community this year. Congratulations to Quest's 2017-18 Aurora Scholars who were recognized at the annual ceremony on April 24th. Please join us in applauding the accomplishments of Bhavya Maddali, Elaine Sudibyo, Maya Calender, Zoe Middleton, Allison Bidlingmaier, John Bubb, Melany Villena de los Santos, and Ricardo Hernandez.

Parents, we need YOU!

If you are interested in joining us on May 17th at the new family orientation night, we would love to have 6 – 8 parents help give building tours and/or socialize with new families to make the feel welcome. The orientation begins at 6:00 pm in the gym; volunteer tour guides would need to be at Quest at 5:45pm. Please contact Jesus Germes if you are interested. jmgermes@aps.k12.co.us

Field Day

Field Day is fast approaching and we could really use your help on Thursday, May 17 from 8:45-2:30. If you are able to volunteer, please use the link below to sign-up for a time slot that works best for you.

<https://www.signupgenius.com/go/10c0f4aa5a72aa4fb6-station2>

Please note: We can only run as many stations as we have volunteers for each time slot. If you know of high school or college students that are available to help as well, please feel free to forward this link to anyone that would like to volunteer.

You can volunteer for as many time slots as you would like. Please plan to show up at least 15 minutes before the start of your shift and check-in at the Volunteer Table in the main lobby.

In addition, there are a few items that we need in order to make this day as fun as possible for the kids. If you have any items that we can borrow or that you would like to donate, please drop them off at the front office during the week of May 7-11.

- Bunch O Balloons (self-tying water balloons)
- Cornhole (beanbag tossing game)
- Airbrush Face Paint

Thank you for your support of this popular event! We appreciate all you do for our school!
